

Junior Lifesaving Club

Love swimming,
but bored of lessons
- try a new challenge!

Because ropes aren't just for skipping!

Learn how to save yourself, rescue others, and have loads of fun too!

You can swim 10 lengths in your sleep...
So grab your pyjamas!

He saves, she saves, on the sea shore – it's not just about the pool – learn how to help on the beach too!

**Join the Squad.
Become part of
BW Junior
Lifesaving Team**

Fridays 7 - 8pm

Bishop's Waltham Junior School
