Junior Lifesaving Club

Love swimming, but bored of lessons - try a new challenge!

Because ropes aren't just for skipping!

He saves, she saves, on the sea shore – it's not just about the pool – learn how to help on the beach too! You can swim
10 lengths in
your sleep...
So grab your
pyjamas!

Learn how to save yourself, rescue others, and have loads of fun too!

Join the Squad.
